THURSDAY, MAY, 21, 1925

Major Smithey, of Brunswick, announces himself a candidate for Attorney-General against the incumbent Hon. Jno. R. Saunders. The Major's candidacy will be very acceptable to a large part of the voters of this county who have been spoiling for a come back at him on the appointment of School Superintendent of this county. He will be forced to look to those who urged him to make an unpopular appointment.

Harry F. Byrd, candidate for the Democratic nomination for Governor of Virginia, is not in accord with the published opinion of James M. Hayes, Jr., motor vehicle commissioner, that automobile permits to drive cars should be secured from the department in Richmond.

Minister Burned as Witch

One of the unfortunate victims of the Salem witchcraft frenzy in 1692 was George Burroughs, a graduate of Harvard college and a minister of the gospel. He was accused of having bewitched one Mary Wolcott.

Dear Friend:

The past 15 years has been devoted by me exclusively to the General Merchandise Business, starting at the bottom as Delivery Boy, then to Salesman, Collector, Manager, Buyer, and finally to Proprietor. This entire time has been devoted to Merchandise and it's methods of distribution, so that it will be mutually profitable to both buyer and seller, alike.

I am thoroughly convinced after these years of study that the old system of Merchandising is all wrong and passed and that the change to a NEW SYSTEM MUST TAKE PLACE.

During the past decade all things, both temperal and spiritual, have changed. Why not, then, the Business World? It must, in the nature of things, come to pass. NOW IS THE TIME. Let this business also take on new life and keep abreast with the modern and progressive times.

MY WHOLE AIM IS TO SERVE YOU, our worthy Friends and Patrons, as good business justifies it, PLEASE DO NOT SAY "CHARGE IT". "WE WILL LEND YOU THE MONEY TO PAY CASH".

I will take your note for 30, 60, or 90 days, or longer if good business and my judgment justify it and issue to you my money which you can either spend with me or anyone else.

The same Low Rock Bottom Prices prevail to one and all alike. The man who makes a one dollar purchase will get the same prices and service as the man who spends a hundred dollars.

We will pay you cash for everything raised on the farm, that we can handle profitably to us both, including Railroad Cross Ties. Bring your Produce HERE.—WE WANT IT.

Now in closing, I pledge you as a man that I will devote my time, energy, ability, and experience and the benefit of paying cash for everything I sell and give you prices as low as are consistent with first class quality and modern merchandising methods.

Yours for a Bigger, Better Business,

The Live Wire Merchant in Appomattox, Va.

Therefore, your Petitioners pray that the area or zone included within the metes and bounds aforesaid, be incorporated as a town by the name of "The Town of Appomattox", and that all the powers and privileges mentioned and set forth in the general law of the State, and in the proposed charter drafted by a committee of the inhabitants of said community, filed in the papers in this cause in the Clerk's Office of Appomattox County, be granted and conferred on the proper constituted authorities of said town, to be elected by an election to be ordered by the Court, and held as provided by the Statute laws of the State of Virginia. WOMANLY AILS

Kentucky Lady Got Well After Taking Cardui.

"I got down in health—suffering from womanly troubles which chased me much chagrin and worry," says Mrs. Rhoda Causey, of R. F. D. 6, Greensburg, Ky., "My stepmother had taken Cardui when she was in my same condition, so I got to inquiring around among my friends about it and found several women who were taking it and some had used it with good results. I got a bottle to try it, but I might be candid with it, as I had a terrible case of female trouble. I had a . . . which left me in a very serious condition. I had been in bed eight weeks and was unable to move in bed without help. By the time I had taken half a bottle of Cardui, my strength began to come back. I could sit up in bed.

"I finished up that bottle and by that time I was able to walk across the floor . . . I continued using Cardui for several months and I got well.

Why Keep On Paying This Tax?

Everybody expects to pay some taxes, but why impose unnecessary taxes on yourself?

Do you realize that every time you drive your car on an unpaved highway you are actually taxing yourself one to four cents a mile?

This is the cost of increased repair, tire and gasoline bills.

Highway research has definitely established these facts.

Each year you tax yourself in this way a good many dollars.

Instead of spending this money for increased transportation costs, why not invest it in Concrete Highways and pay yourself some dividends?

Concrete Roads and Streets pay for themselves in the saving they effect on the cost of motoring.

Their maintenance cost is so low that this saving alone returns good dividends on the investment, year after year.

You are imposing an unnecessary tax on yourself from which you get no return, by failing to work for more Concrete Highways.

Not in a long time have general conditions been so favorable for carrying on such public works as permanent highway building.

Your highway authorities are ready to carry on their share of this great public work. But they must have your support.

Tell them you are ready to invest in more Concrete Highways, now.
